AUSTRALIA

To Potential Sponsors,

We are pleased to invite you to be part of 30th International Complement Workshop to be held in Brisbane, Australia, from September 14 - 19, 2025.

The ICW has never been held in Australia, and the organizing committee is thrilled to showcase complement research down-under and provide an opportunity to explore this great continent. Our proposed program will encompass the latest advancements in complement science and offer unique experiences, such as up-close encounters with our local marsupial fauna.

This is also the chance for you to have close discussions with key researchers in Complement. Several sponsor opportunities are available for companies looking to speak with new customers and reinforce existing relationships. We expect ICW 2025 to be a well-anticipated meeting and with your support and presence, we hope to make ICW an even more unique experience. In the next pages you will find a list of different sponsorship offers; but should your company have a creative idea for a sponsorship not listed here, please contact us and we will take your suggestion into consideration.

We look forward to hearing from you and having you be part of 30th International Complement Workshop.

Prof Trent Woodruff, ICW
Conference Chair on behalf
of the Organizing Committee
and the International
Complement Society.

Local organizing committee,
Barbara Rolfe
Marc Ruitenber
